This is your registration certificate. Do not attempt to make any changes or alter this certificate in any way. Such registration shall be shown to any properly interested person on request. No such registration shall be transferred to or used by any other person than to whom the registration was issued.

It is a mandatory requirement that all practitioners with an active Connecticut Controlled Substance Practitioner (CSP) registration sign up for and use the Connecticut Prescription Monitoring and Reporting System (CPMRS). In an effort to be more efficient and Go Green, the department asks that you keep your email information with our office current to receive correspondence.
